Before the Federal Communications Commission for consideration is a petition for rule making filed by Lyle Robert Evans d/b/a Eagle River Television Company ("petitioner"), requesting the allotment of UHF Television Channel 34 to Eagle River, Wisconsin, as that community's first local television service. The petitioner provided information in support of the proposal and stated its intention to apply for the channel, if allotted.

The Commission by NOTICE OF PROPOSED RULE MAKING, Adopted: January 26, 1994; Released: February 9, 1994 stated: We believe the public interest would be served by proposing the allotment of Channel 34 to Eagle River, Wisconsin, since it could provide the community with its first local television service. Accordingly, we seek comments on the proposed amendment of the TV Table of

allotments, Section 73.606(b) of the Commission's Rules,  
for the community listed below, to read as follows:

Channel No.

<u>CITY:</u>	<u>EXISTING:</u>	<u>PROPOSED:</u>
Eagle River, Wisconsin	--	34

The Eagle River Television Company believes its  
Petition and proposal in MM Docket Number 91-132 is truly  
in the public interest. Eagle River (population 1,374), in  
Vilas County (population 17,707), is located in northeastern  
Wisconsin, and has no local television service.

The allotment of Channel 34 at Eagle River,  
Wisconsin, shall provide the City of Eagle River and  
vicinity a first local television service, providing area  
residents with a means of visual local self expression.

The Eagle River Television Company hereby  
reaffirms: If the Commission goes forward to allot UHF  
Television Channel 34, as proposed at Eagle River,  
Wisconsin, Eagle River Television Company shall immediately  
make Application to the Federal Communications Commission,  
on FCC Form 301, for a Construction Permit to activate UHF  
Television Channel 34 at Eagle River.

Upon the grant of such an application by the  
Commission, Petitioner shall promptly construct, license and  
operate the permitted facility.

In accord with 47 Code of Federal Regulations,

Section 1.52; I Lyle Robert Evans, hereby certify I have read this entire document, that to the best of my knowledge, information and belief it is true and correct, that there is good ground to support it; and that it is not interposed for delay.

Respectfully submitted,

EAGLE RIVER TELEVISION COMPANY
